## ABOUT US

Thai Duong Plastic JSC is a dynamic Joint Stock Company located in Binh Duong, Vietnam, established in 2014. The company specializes in providing top-notch production services for a range of high-quality products, including engineered silicone rubber, plastic injection components, and assemblies. Thai Duong Plastic has earned a reputation for its exceptional manufacturing capabilities and has become a trusted partner for major original equipment manufacturers (OEMs).

Committed to maintaining the highest quality standards, Thai Duong Plastic holds the ISO 9001:2015 certification for its rigorous Quality Management System. This certification underscores the company's dedication to consistently delivering products that meet or exceed customer expectations. By adhering to strict quality control processes, Thai Duong Plastic ensures that every product leaving its facilities is of superior quality, built to withstand the demands of various industries.
